On 27th September 2009 thousands of people will be inviting someone special back to church with them. People lose touch with church for all sorts of reasons but millions would come back with an invitation.

On BacktoChurch Sunday 2008 people in 3000 churches prayerfully invited and welcomed back 37,000 friends.

Comment from one lady on entering church – "It only needed something like this to get me through the door!"
