

## Story Bag resources

Story Bags are a fantastic means of telling a Bible story. All you do is turn them inside out over and over again and they change colour and design each time while you tell the story. Hand made in strong attractive fabrics. Simple to use, and great for children and adults alike. Easy to carry around for any opportunity and ideal also for overseas work breaking through the language barriers. Designs are large and bright so they can be seen at a distance. Each bag comes with script outline.

The diocese has 12 story bags you can borrow:

**Joseph**

**Creation**

**Wise man**

**Prodigal Son**

**Story of Moses**

**Noah**

We also have story bags for:  
**Gospel, Easter, Christmas, Christingle, Pentecost, Advent**

To borrow any of these story bags you are welcome to come in to the Old Pace and look at them or if you know which one you want just phone and we will post it to you.

## Puppet resources

Girl and Monk signing puppets with full mouth and hand movement. Great with all-ages.

Boy approx 50cm, sheep approx 46cm. Both wide mouth puppets, with mouth movement that can be seen clearly, and are easy to manipulate. These need to be used behind a screen or from

the pulpit or behind something else! Great for 5's up wards

Sheep dog approx 61cm and Lion approx 40cm, with both of these puppets your hand goes into its belly for movement of their head and mouth.

These are fun cuddly puppets to use with large characters! Great for all-ages

Monster puppets are great fun! The Red and orange ones have their own voices which you can use or not use. All of these monsters have rods so you can move their arms, letting them rub their heads etc... great for 5's up-wards

**To borrow any of these puppets we ask that you give us £15 deposit in exchange for a puppet—this will be returned to when you return the puppet .**
