

Supporting CoE Christians with Sight Impairment

St John's Guild

St Johns Guild was founded in 1919 by Miss Dorothy Light and Fr. Christian Waudby who saw the isolation and loneliness of those who were blind and visually impaired.

How the Guild helps blind and visually impaired people:

- ✓ 50% grant for pilgrimages and retreats along with a companion based anywhere within the UK
- ✓ An annual Guild Pilgrimage is held in Walsingham
- ✓ Supports parishes directly through grants for churches, helping them to improve accessibility

plus much more
