Net Zero Carbon Quick Wins Grant Fund

We have listed below the questions on the NZCQW Expression of Interest form to help you prepare the information needed to complete it.

Note: Please note that the question numbers may appear differently on the form due to branching where there are Yes or No answer options.

1. Confirmation you've read the guidance and eligibility information on the website
2. Your first name
3. Your last name
4. Your preferred email address
5. The name of your parish
6. The name of your church
7. Are you a PCC member?
8. If yes, please give details of your position on the PCC
9. If No, please give details of your role within the church
10. Please provide brief information to evidence your church's commitment to decarbonise e.g. examples of other measures to transition to net zero carbon already completed.
11. Has the most recent Energy Footprint Tool (EFT) return been completed i.e. 2026 return covering 2025 usage? NB: Under the scheme's eligibility rules the EFT for your church must have been submitted
12. If No, please explain why not
13. Has an Energy Audit been undertaken on your church?
14. If Yes, please provide details of by who and the date
15. Select the eligibility option(s) that relate(s) to your proposal
16. What is the title of your project? (max. 10 words) e.g. 'Adding Insulation to Water & Heating Pipes' or 'Installing draft proofing measures'
17. Please provide a summary description of your proposal (250 words max)
18. Has a Conservation Architect been involved with specifying the works?
19. If No, do you plan to involve a Conservation Architect with specifying the works?
20. Is the work standalone or a discrete part of a bigger scheme of work?
21. If part of a bigger scheme of work, please provide details of the overall scheme of work (purpose, cost (approx.), how it will be funded, timeline)
22. What level of Faculty Jurisdiction permission does your project need?
23. Do you already have or have you applied for the relevant permission?
24. Is Planning Permission (from your Local Authority) required for this work?
25. Do you already have a quote for the proposed work?
26. Please provide the quoted/estimated total cost of the proposal including VAT
27. Please provide the amount of grant (up to £10,000) that would be required towards the work
28. What is your anticipated time frame to complete the works (we cannot fund works that have already been completed)?
